SCHOOL BOARD COMMITTEE MEETING NOT HELD

A social meeting of the Teacher's Committee of the board of education was called for Tuesday evening, to be held in the office of J. W. Jacoby. The matter which was to have been discussed had to do with an adjustment in the salaries of the teachers; whether or not certain salaries were to be raised. Not enough members to do business put in an appearance and the meeting was not held. It is the hope of the committee that a

meeting can be held before the time for holding the next regular meeting, as much business of importance is to be transacted.

Boys, you've missed half your life if you haven't read about Tom Swift and his Airship. A mighty exciting and thoroughly clean story of a boy of today. This book and a lot others equally as good for twenty-five cents. Henry & Cooper. 12-16-61
